## Directors' report (continued)

### For the year ended 31 December 2018

#### 2. Company Secretary

The current company secretary is Maryse Macmurdo who was appointed on 15 August 2012.

#### 3. Officers who were previously partners of the audit firm

No officers of the Company during the financial year were previously partners of the current audit firm, KPMG, at a time when KPMG undertook an audit of the Company.

#### 4. Directors' meetings

Director	Position	Board Meetings	
		Number of meetings attended	Number of meetings held
Audette Evelyn Exel AO	Chair	2	2
Richard Deutsch	Non-Executive Director	1	2
Laini Libermann	Non-Executive Director	2	2
Richard Alan West	Non-Executive Director	2	2
Susan Burns	Non-Executive Director	2	2
Ilana Atlas	Non-Executive Director	2	2
Andrea McCormick	Non-Executive Director	-	-

#### 5. Directors' remuneration

Directors do not receive any remuneration from Adara Development (Australia) ("the Company").

#### 6. Environmental regulation

The operations of the Company are not subject to any particular or significant environmental regulations under any law of the Commonwealth or of a State or Territory. Notwithstanding, directors are not aware of any breaches of any environmental regulations.

#### 7. Principal activities

The Company is the global support office for all Adara Development entities globally which include Adara Development (Bermuda), Adara Development (UK), Adara Development (Uganda) and Adara Development (USA). Together, these entities constitute Adara Development. The principal activity of the Company during the financial year was the management and administration of Adara Development's work in international aid and development. Adara has two areas of expertise: Maternal Newborn Child Health and Remote Community Development.

Although Adara Development's work spans many countries, our work in Maternal Newborn Child Health is focused on strengthening services in Central Uganda by supporting holistic programmes that ensure women and children have access to health services across the continuum of care. Together, Adara Development and our partner Kiwoko Hospital provide women with antenatal care, help them deliver their babies safely, help newborn babies needing specialised care in the neonatal intensive care unit, provide community outreach services and health promotion, and train village health workers and clinicians from the local district health system.

Hand in hand with Kiwoko Hospital, we are able to demonstrate the impact of an integrated model of care that encompasses not just training, but also ensures the hospital is equipped with adequate facilities, staffing, equipment and supplies - all the things it needs to provide high-quality care.

# **Adara Development (Australia)**

## **Directors' report (continued)**

### **For the year ended 31 December 2018**

#### **7. Principal activities (continued)**

Now, Adara Development is working to scale this expertise across Uganda by increasing the capacity of the national health system to care for and protect newborns, working in partnership with local champions of newborn health.

Adara Development is working in partnership with other global health leaders on projects to improve newborn survival. One of these projects is the Safe Newborn Bubble CPAP Project which will address the lack of access in low-resource settings to safe and affordable treatment for respiratory distress syndrome—the most common cause of disease and death for babies born before 34 weeks gestation. We are also working on an Early Intervention Program for newborns at risk of disability. This project will determine whether a community-based early-intervention programme for carers of young children affected by newborn brain injury can improve early brain development and quality of life.

To ensure vulnerable infants receive the support they need once they are discharged from the Kiwoko Hospital NICU, Adara recently launched the “Hospital to Home” (H2H) programme, which aims to develop and pilot a holistic, low-cost, family-centred discharge and follow up package. H2H will focus on strengthening discharge processes and practices inside the Kiwoko Hospital NICU and will also work with a network of highly trained village health teams to follow up and provide ongoing care to families at home for the first six months following discharge. By following up these babies, we will be able to identify any issues and intervene early, giving these infants the opportunity to reach their full potential.

Our work in Remote Community Development is primarily in a remote mountainous region of Nepal called Humla, home to over 50,000 people. Our focus in Humla is on long term sustainable support to improve health and education for the region. Our health initiatives in Humla aim to improve local health services, health awareness, nutrition, hygiene and sanitation. Our education initiatives focus on school teacher employment and training; school infrastructure and materials; after-school activities; and vocational scholarships. By improving education in the district we also aim to eliminate child trafficking.

Adara Development has also become an expert in the care and rehabilitation of trafficked children in Nepal, after rescuing 136 children from inhumane conditions in 2006. Since then, we have cared for these children, ensuring they were educated and healthy as we slowly and carefully repatriated them with their families.

Following the Nepal earthquake in 2015, Adara Development's remote community development work expanded to the district of Ghyangfedi, a small remote community in Nuwakot district, northeast of Kathmandu. Immediately after the earthquake, Adara Development delivered emergency food, medical, and shelter support to this community. Then, using the expertise gained delivering remote education programmes in Humla over 20 years, Adara Development has built a new earthquake-resistant school for over 300 students. The Shree Ghyangfedi School opened in June 2017.

In Nepal, Adara Development also works alongside local partner organisations to assist with the operation of free health clinics, and to help young girls from disadvantaged backgrounds to attend schools.

All the Company's activities as part of Adara Development provided better health and education opportunities for disadvantaged children and their families, which helped meet key objectives of the Company. There were no significant changes in the nature of the activities of the Company during the year.

#### **8. Short and long-term objectives, strategy and performance measures**

The Adara Group consists of two contributing elements, Adara Development and two corporate businesses, Adara Partners (Australia) Pty. Limited and Adara Advisors Pty. Limited. Adara Development is the international development wing of the organisation that has expertise in maternal, newborn and child health, and remote community development. Adara Development has been working in Nepal and Uganda for more than 20 years.

# Adara Development (Australia)

## Directors' report (continued)

### For the year ended 31 December 2018

#### **8. Short and long-term objectives, strategy and performance measures (continued)**

Adara Development has two pillars which are fundamental to our strategy and achieving our goals - best practice service delivery and knowledge sharing. In its service delivery, the Company aims to support the communities it partners with by implementing high quality and holistic projects that are based on research, and improve health and education outcomes.

The Company also shares knowledge locally, nationally and globally with governments and other development agencies in the areas of the Company's expertise. The Company measures performance on project sites by monitoring and evaluating projects and conducting research in key areas of intervention to ensure that activities are aligned with the mission. Each project has its own key performance indicators built into the project plan and they are related to the project outputs.

#### **9. Review of operations**

The operating result for the year was a deficit of \$109,557 (2017: deficit of \$183,672). The Company is exempt from income tax.

#### **10. Dividends**

The Company's constitution does not permit payment of dividends and therefore no dividends have been recommended or paid for the year.

#### **11. Significant changes in the state of affairs**

In the opinion of the directors, there were no significant changes in the state of affairs of the Company that occurred during the financial year under review not otherwise disclosed in this report.

#### **12. Likely developments**

The Company will continue to carry on the principal activities to meet the Company's objectives as noted above. This will require further investment in core support and new and established projects which have performed well over recent years and offer sound opportunities for future developments.

#### **13. Events Subsequent to Reporting Date**

No matter or circumstances have arisen in the interval between the end of the financial year and the date of this report, which are likely in the opinion of the Directors to significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in subsequent financial years.

#### **14. Insurance and indemnification of directors, trustees and others**

During the financial year, Adara Development (Australia) paid a premium of \$6,691 (2017: \$4,000) to insure the Adara Development entities and the directors, officers, trustees, management committee members and employees (among others) of those entities from losses arising from claims for acts or omissions of those persons while acting in that capacity. Covered losses include awards of damages, settlement amounts and legal costs of the insured and claimant.

Coverage is excluded in the case of fraudulent or wilfully unlawful conduct by an insured and in other specific circumstances depending on the type of claim (such as employment or professional services-related claims). It is not possible to apportion the premium between amounts relating to the insurance against legal costs and those relating to other liabilities.

The Company has not agreed to indemnify the auditor.

**Adara Development (Australia)**  
**Directors' report (continued)**  
**For the year ended 31 December 2018**

**15. Members' guarantee**

In accordance with the company's constitution, each member is liable to contribute a maximum of \$20 in the event that the company is wound up. There are 61 members of Adara Development (Australia) (2017: 61).

**16. Non-audit services**

During the year ended 31 December 2018 KPMG, the Company's auditor, has not performed any other services in addition to their statutory duties. No non-audit services were provided by KPMG during the financial year.

**17. Auditor independence and non-audit services**

A copy of the lead auditor's independence declaration as required under subdivision 60-C section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* is set out on page and forms part of the directors' report for the financial year ended 31 December 2018.

This report is made in accordance with a resolution of the directors.

Audette Evelyn Exel AO  
Chair  
Sydney

30 April 2019

Auditor's Independence Declaration under subdivision 60-C  
section 60-40 of Australian Charities and Not-for-profits  
Commission Act 2012

To the Directors of Adara Development (Australia)

I declare that, to the best of my knowledge and belief, in relation to the audit of Adara Development (Australia) for the financial year ended 31 December 2018 there have been:

- i. no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- ii. no contraventions of any applicable code of professional conduct in relation to the audit.

  
KPMG

# Adara Development (Australia)

## Notes to the financial statements

### For the year ended 31 December 2018

#### 1. Reporting entity

The Company is a not for profit company limited by guarantee and domiciled in Australia. The Company is registered under the Australian Charities and Not-for-profits Commission Act 2012, Australia.

The financial statements of the Company for the period ended 31 December 2018 are representative of a single entity.

The long term objective and purpose of the Company as part of Adara Development is to bridge the worlds of business and the world of people in extreme poverty, and to support vulnerable communities with health, education and other essential services.

Information on the principal activities, operations and strategy of the Company is set out on pages 4-5 of the Directors' Report.

The financial statements were approved by the Board of Directors on 30 April 2019.

#### 2. Basis of preparation

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### a) Statement of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, the Australian Charities and Not-for profits Commission Act 2012, Urgent Issues Group Interpretations and the Corporations Act 2001.

##### Compliance with Australian Accounting Standards - Reduced Disclosure Requirements

The financial statements of the Company comply with Australian Accounting Standards - Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB).

##### b) Basis of measurement

These financial statements have been prepared on a going concern basis and are based on historical cost.

Adara Development (the "Group") represents collectively a group of legal entities which are not held by a separate parent entity. The legal entities - Adara Development (Australia), Adara Development (Bermuda), Adara Development (UK), Adara Development (Uganda) and Adara Development (USA) - are under the decisions of their respective directors or trustees that have mutually agreed to operate under a common Memorandum of Understanding (MOU). The MOU supports the transfer of funds between Adara Development entities in order to meet the programme and administration costs.

##### c) Use of accounting estimates and judgements

The preparation of a financial report requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period and future periods.

# Adara Development (Australia)

## Notes to the financial statements (continued)

### For the year ended 31 December 2018

#### 2. Basis of preparation (continued)

##### d) Functional and presentation currency

These financial statements are presented in Australian dollars. The functional currency of the Company is also Australian dollars.

#### 3. Significant accounting policies

##### a) Revenue recognition - From 1 January 2017 to 31 December 2017

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The Company receives the majority of its income from donations which are recognised when received directly by the Company.

##### b) Deferred revenue

The liability for deferred revenue is the unutilised amounts of grants received on the condition that specified services are delivered or conditions are fulfilled. The services are usually provided or the conditions usually fulfilled within 12 months of receipt of the grant.

##### c) Donated goods and services - From 1 January 2017 to 31 December 2017

Amounts relating to goods and services donated are included in the financial statements when the Company gains control, economic benefits are probable and the amount of the donation can be reliably measured.

The Company also received pro-bono professional goods and services, as well as support from skilled volunteers during the financial year, which include legal and compliance support, audit services, medical equipment, volunteer services for events coordination, administration support and medical advisory. The value of these services was not recognised in the statement of profit or loss and other comprehensive income as it cannot be reliably measured.

##### d) Expenses

Expenses are presented by nature in the statement of profit or loss and other comprehensive income.

##### e) Income tax

No income tax is payable as the Company is exempt under Australian taxation legislation.

##### f) Non-derivative financial assets - From 1 January 2017 to 31 December 2017

The Company has the following non-derivative financial assets: cash and cash equivalents and other current assets.

##### (i) Cash and cash equivalents

The Company considers all deposits with financial institutions that can be withdrawn without prior notice or penalty, and all term deposits with an original maturity of 90 days or less, as equivalent to cash.

##### (ii) Other current assets

Other current assets are initially recognised on the date that they are originated at fair value. Subsequent to initial recognition they are carried at amortised cost while prepayments are measured at cost. These amounts are non-interest bearing and unsecured.

# Adara Development (Australia)

## Notes to the financial statements (continued)

For the year ended 31 December 2018

### 3. Significant accounting policies (continued)

#### g) Property, plant and equipment

Property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Depreciation on the assets is calculated using the straight-line method to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives as follows for the current and prior year:

Office equipment	3 to 5 years
------------------	--------------

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

#### h) Intangible assets

Intangible assets include website development and software. The costs incurred in developing the website and the costs to enable the use of software, that will contribute to future period financial benefits through revenue generation and/or cost reduction, are capitalised to intangible assets. Costs capitalised include only external direct costs of materials and services.

Website development costs include only those costs directly attributable to the development phase. Software costs include only those costs directly attributable to the purchase of the software and costs directly attributable to the implementation and ongoing use of the software.

Intangible assets are only recognised following completion of technical feasibility and where there is an intention and ability to use the asset.

Amortisation of website development and software is calculated on a straight line basis over the period of 4 years, commencing once the asset is in use, for the current and comparative period.

#### i) Non-derivative financial liabilities - From 1 January 2017 to 31 December 2017

Financial liabilities measured at amortised cost comprise trade and other payables and borrowings. The Company has the following non-derivative financial liabilities: financial liabilities measured at amortised cost.

##### (i) Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Company to the end of the financial year that are unpaid. These amounts are unsecured and are usually settled within 30 days of recognition.

##### (ii) Borrowings

Borrowings represent debt securities recognised on the trade date at which the Company becomes a party to the contractual provisions of the instrument. Such financial liabilities are recognised initially as fair value less any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortised costs using the effective interest rate method.

# Adara Development (Australia)

## Notes to the financial statements (continued)

**For the year ended 31 December 2018**

### **3. Significant accounting policies (continued)**

#### **j) Employee benefits**

##### **(i) Short-term employee benefit obligations**

Short-term employee benefit obligations are the liabilities for salaries and wages, including non-monetary benefits and annual leave, expected to be settled within 12 months after the end of the period. The liabilities are recognised in respect of employees' services up to the end of the reporting period. The amounts are measured at the undiscounted amounts expected to be paid when the liabilities are settled.

##### **(ii) Other long-term employee benefit obligations**

The liability for long service leave and annual leave which is not expected to be settled within 12 months after the end of the period in which the employees render the related service is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future salary and wage levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the end of the reporting period on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

#### **k) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included within other receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from or payable to the taxation authority are presented as operating cash flow.

#### **l) Foreign currency translation**

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions are recognised in the statement of profit or loss and other comprehensive income under foreign exchange gains/losses. The results and financial position of operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate at balance date,
- income and expenses and the statement of profit or loss and other comprehensive income are translated at average exchange rates, and
- all resulting exchange differences are recognised in other comprehensive income.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate as at the date of the initial transaction. Non-monetary items measured at fair value in the foreign currency are translated using the exchange rates at the date when the fair value is determined.

#### **m) New and revised accounting standards and interpretations**

##### **AASB 9 Financial Instruments - For periods beginning 1 January 2018**

###### **(i) Recognition and derecognition**

Financial assets and financial liabilities are recognised when Adara Development (Australia) becomes a party to the contractual provisions of a financial instrument.

# Adara Development (Australia)

## Notes to the financial statements (continued)

For the year ended 31 December 2018

### 3. Significant accounting policies (continued)

#### m) New and revised accounting standards and interpretations (continued)

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and substantially all the risks and rewards are transferred.

A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

#### (ii) Classification and measurement of financial assets and financial liabilities

AASB 9 contains three principal classification categories for financial assets: measured at amortised cost, Fair Value through Other Comprehensive Income (FVOCI) and Fair Value Through the Statement of Profit or Loss (FVTPL). The classification of financial assets under AASB 9 is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics. AASB 9 eliminates the previous AASB 139 categories of held to maturity, loans and receivables and available for sale. Under AASB 9, derivatives embedded in contracts where the host is a financial asset in the scope of the standard are never separated. Instead, the hybrid financial instrument as a whole is assessed for classification.

AASB 9 largely retains the existing requirements in AASB 139 for the classification and measurement of financial liabilities. The adoption of AASB 9 has not had a significant effect on Adara Development (Australia)'s accounting policies related to financial liabilities.

The following table and the accompanying notes below explain the original measurement categories under AASB 139 and the new measurement categories under AASB 9 for each class of Adara Development (Australia)'s financial assets and financial liabilities as at 1 January 2018.

The effect of adopting AASB 9 on the carrying amounts of financial assets at 1 January 2018 is not material as a result of the new impairment requirements.

<i>In dollars</i>	Original classification under AASB 139	New classification under AASB 9	Original carrying amount under AASB 139	New carrying amount under AASB 9
<b>Financial assets</b>				
Cash and cash equivalents	Loans and receivables	Amortised Cost	\$247,060	\$247,060
Trade and other receivables	Loans and receivables	Amortised Cost	\$25,712	\$25,712
<b>Total financial assets</b>			<b>\$272,772</b>	<b>\$272,772</b>
<b>Financial liabilities</b>				
Trade and other payables	Other financial liabilities	Amortised Cost	\$28,814	\$28,814
<b>Total financial liabilities</b>			<b>\$28,814</b>	<b>\$28,814</b>

Trade and other receivables that were classified as loans and receivables under AASB 139 are now classified at amortised cost. The allowance for impairment over these receivables was not material to require an adjustment to be recognised in opening retained earnings at 1 January 2018 on transition to AASB 9.

#### (iii) Impairment of financial assets

AASB 9 replaces the 'incurred loss' model in AASB 139 with an 'expected credit loss' (ECL) model. The new impairment model applies to financial assets measured at amortised cost, contract assets and debt investments at FVOCI, but not to investments in equity instruments. Under AASB 9, credit losses are recognised earlier than under AASB 139.

For assets in the scope of the AASB 9 impairment model, impairment losses are generally expected to increase and become more volatile. Adara Development (Australia) has determined that the application of AASB's impairment requirements at 1 January 2018 has not resulted in an additional allowance for impairment.

# Adara Development (Australia)

## Notes to the financial statements (continued)

### For the year ended 31 December 2018

#### 3. Significant accounting policies (continued)

##### m) New and revised accounting standards and interpretations (continued)

###### **AASB 15 Revenue from contracts with customers - For periods beginning 1 January 2018**

This standard replaces IAS 11 Construction Contracts, IAS 18 Revenue, IFRIC 13 Customer Loyalty Programmes, IFRIC 15 Agreements for the Construction of Real Estate, IFRIC 18 Transfer of Assets from Customers and SIC-31 Revenue - Barter of Transactions Involving Advertising Service.

The standard contains a single model that applies to contracts with customers and two approaches to recognising revenue: at a point in time or over time. The model features a contract-based five-step analysis of transactions to determine whether, how much and when revenue is recognised.

As per AASB1058 to be in the scope of AASB15, the contract must be:

- a) enforceable
- b) contain performance obligations that are sufficiently specific to enable determination of when the obligation has been satisfied and;
- c) not result in goods and services specified being retained by the entity.

Should these conditions be met the donation is assessed under AASB15 and is recognised when performance obligations are satisfied.

Adara Development (Australia) has initially applied AASB 15, including any consequential amendments to other standards, from 1 January 2018.

The adoption of these standards did not have a significant impact on the entity's financial statements.

###### **AASB 1058 Income of Not-for-Profit Entities**

The new standards will be effective from 1 July 2019, however the Directors have determined to early adopt the new standards effective 1 January 2018.

AASB1058 states that revenue can be recognised when the entity obtains control of the resource. i.e. the donation is obtained

AASB 1058 clarifies and simplifies the income recognition requirements that apply to not-for-profit (NFP) entities, in conjunction with AASB 15. These Standards supersede the NFP income recognition requirements previously in AASB 1004 Contributions (with the exception of certain matters relating to public sector NFP entities) as well as current revenue recognition guidance including AASB 118 Revenue, AASB 111 Construction Contracts and the related interpretations when they become effective.

This Standard applies when a NFP entity enters into other transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives.

#### b) Source of funds

##### Core support

The core support funds support day to day operations of the Company in managing and administering the operations of Adara Development, as well as programme expenses.

Adara Advisors Pty. Limited, Adara Partners (Australia) Pty. Limited and a small number of core support partners cover 100% of core support expenditure.

##### General funds

General funds support international programmes in Remote Community Development and Maternal Newborn Child Health, as well as Innovation, Learning and Evaluation activities and are not specific to project or jurisdiction.

##### Maternal Newborn Child Health and Remote Community Development programmes

Maternal Newborn Child Health and Remote Community Development funds support programme expenses as well as salaries, office costs and partner support.

### 15. Related party transactions

#### a) Directors' compensation

The directors act in a voluntary capacity and receive no compensation for their services.

#### b) Transactions with director-related entities

Adara Development (Australia), Adara Development (Bermuda), Adara Development (UK), Adara Development (Uganda) and Adara Development (USA) together constitute Adara Development.

# Adara Development (Australia)

## Notes to the financial statements (continued)

For the year ended 31 December 2018

### 15. Related party transactions (continued)

#### b) Transactions with director-related entities (continued)

Adara Development is managed and administered by Adara Development (Australia). Adara Development (Australia) in its capacity as manager and administrator determines the projects in respect of which Adara Development is involved and is responsible for general management and operational decision-making in relation to all in-country programmes (including recruiting and managing global staff).

The Company received donations from the following related parties:

	<b>2018</b>	<b>2017</b>
	<b>\$</b>	<b>\$</b>
Adara Advisors Pty. Limited cash and in-kind donations	141,754	74,676
Adara Partners (Australia) Pty. Limited cash donations	1,287,638	1,372,967
	<b><u>1,429,392</u></b>	<b><u>1,447,643</u></b>

Adara Advisors Pty. Limited and Adara Partners (Australia) Pty. Limited are financial services businesses established to be the principal providers of direct and indirect funding to Adara Development for core support costs and emergency project costs.

In addition to the donations from Adara Advisors Pty. Limited disclosed above, during the year donations of \$58,064 (2017: \$100,250) were received by the Company from other director related entities.

The following aggregated amounts were included in the determination of transfers to and from Adara Development related entities:

	<b>2018</b>	<b>2017</b>
	<b>\$</b>	<b>\$</b>
Transfers from/(to) Adara Development (USA)	(358,981)	(95,372)
Transfers from/(to) Adara Development (UK)	15,142	10,884
Transfers from/(to) Adara Development (Bermuda)	(29,440)	36,565
Transfers from/(to) Adara Development (Uganda)	(78,869)	(71,982)
	<b><u>(452,148)</u></b>	<b><u>(119,905)</u></b>

Additionally, Adara Development (USA), Adara Development (UK) and Adara Development (Bermuda) all support Adara Development (Australia)'s foreign operation in Nepal (INGO). In 2018, the INGO received \$315,684 from other Adara entities. In 2017, the INGO received \$311,706.

Adara Development (Australia) provides in-kind services to Adara Development (Bermuda), Adara Development (UK), Adara Development (Uganda) and Adara Development (USA) in the form of finance, accounting and administrative support. The value of these services has not been recognised in the statement of profit or loss and other comprehensive income.

There were no other transactions between the Company and key management personnel.

# Adara Development (Australia)

## Notes to the financial statements (continued)

### For the year ended 31 December 2018

#### 16. Key management personnel compensation

The key management personnel of the Company are its directors:

- Audette Evelyn Exel AO
- Richard Deutsch
- Laini Libermann
- Richard Alan West
- Susan Burns
- Ilana Atlas
- Andrea McCormick

The directors receive no compensation for their services.

#### 17. Commitments

##### a) Commitments to Non-Government Organisations

During the year Adara Development (Australia), Adara Development (USA), Adara Development (UK), Adara Development (Bermuda) and Adara Development (Uganda) entered into, or were obligated by, agreements with the following Non Government Organisations ("NGOs") and Partners.

The amounts committed to by Adara Development are as follows:

	<b>Funding committed for January - December 2019 USD</b>	<b>Agreement period from</b>	<b>Agreement period ending</b>
Adara Development Nepal	565,918	25 November 2014	Completion of project
The Himalayan Innovative Society	29,129	1 January 2018	31 December 2020

Adara Development reserves the right to refuse funding should any organisation fail to meet all terms and conditions as specified in the related agreements.

Funding commitments for subsequent periods are reviewed and updated on an annual basis.

Commitments will be met by current funds available and restricted donations received during the year.

#### 18. Contingencies

As at 31 December 2018, the Company had no material contingent assets or liabilities.

# Adara Development (Australia)

## Notes to the financial statements (continued)

For the year ended 31 December 2018

### 19. Auditors' remuneration

The audit service for the Company is provided without charge by the auditors, KPMG. The Company however recognises an expense and accrual of \$16,039 in the financial report for the purpose of paying KPMG for the audit service of Adara Development Group.

	2018	2017
	\$	\$
<b>Audit services</b>		
KPMG Australia:		
Audit and review of financial reports*	16,039	15,573
	<u>16,039</u>	<u>15,573</u>

*\*KPMG provides pro-bono professional audit services of Adara Development (Australia) and Adara Development (Bermuda), while an audit fee is charged for Adara Development (USA) and Adara Development.*

### 20. Events after the balance sheet date

In the interval between the end of the financial year and the date of this report, no transaction or event of a material or unusual nature likely to significantly affect the operations of the Company or the state of affairs of the Company in future years occurred.

### 21. Financial instruments

The Company's financial instruments comprise cash and cash equivalents, other receivables and trade and other payables.

The Company's activities expose it to the following risks from its use of financial instruments:

- market risk
- credit risk
- liquidity risk.

The nature and extent of the financial instruments employed by the Company are discussed below. This note presents information about the Company's exposure to each of the above risks and the Company's objectives, policies and processes for measuring and managing risk. The Board has overall responsibility for the establishment and oversight of the Company's risk management framework.

#### a) Market risk

Market risk is the risk that changes in market prices will affect the Company's income or the value of its holdings of financial instruments.

##### (i) Price risk

As at 31 December 2018 the Company held only cash and cash equivalents and as a result there is no exposure to price risk.

# Adara Development (Australia)

## Notes to the financial statements (continued)

### For the year ended 31 December 2018

#### 21. Financial instruments (continued)

##### a) Market risk (continued)

##### (ii) Interest rate risk

The Company's main interest rate risk arises from the cash and cash equivalents with variable interest rates, held in the Company's Commonwealth Bank of Australia savings account. The remainder of cash and equivalents do not earn interest. As at 31 December 2018 if interest rates had changed by + / - 2 basis points from year end rates with all other variables held constant, profit would have been \$55 higher or lower (2017: \$37).

The table below outlines the weighted average interest rate and the cash balances subject to interest rate risk:

	Weighted average interest rate \$	2018 Balance \$	Weighted average interest rate \$	2017 Balance \$
Cash and cash equivalents	0.52%	274,135	0.69%	190,378

##### (iii) Foreign exchange risk

The Company operates in a global environment and therefore many of its expenses are denominated in foreign currencies, principally the Nepalese Rupee and the Ugandan Shilling. As a result, the Company is exposed to market price risk through fluctuations in foreign currency. At the statement of financial position date, the Company did not have any exposure to the Ugandan Shilling or Nepalese Rupee.

##### b) Credit risk

Credit risk is the risk of financial loss to the Company if a donor or counterparty to a financial instrument fails to meet its contractual obligations. At 31 December 2018, the Company's assets exposed to credit risk amounted to the following:

	2018 \$	2017 \$
Cash and cash equivalents	371,379	247,060
Trade and other receivables	34,343	25,712
	405,722	272,772

##### c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions. The Company monitors liquidity risk by monitoring forecasted cash flows.

The table below categorises the Company's financial liabilities into relevant maturity groups based on the remaining period at the date of the statement of financial position to the contractual maturity date. The carrying amounts in the table are equal to the contractual undiscounted cash flows.

# Adara Development (Australia)

	<b>123,737</b>	<b>115,724</b>	<b>8,013</b>

##### d) Capital management

The Company defines capital, for its own purposes, as restricted and unrestricted fund balances. During the year the Company's objective when managing capital, which was unchanged from previous years, was to hold sufficient unrestricted funds to enable it to withstand negative unexpected financial events and continue as a going concern and to generate sufficient contributions to meet on-going project costs and commitments. The Company seeks to achieve this objective by holding sufficient cash and cash equivalents to maintain liquidity and enable it to meet its obligations as they become due.

#### 22. Fundraising appeals conducted during the year

No fundraising appeals have been undertaken during the year.

## Adara Development (Australia) Directors' declaration

In the opinion of the directors of the Company:

- (a) the Company is not publicly accountable;
- (b) the financial statements and notes set out on pages 13 to 28, are in accordance with the Australian Charities and Not-for-profits Commission Act 2012 and the ACFID financial statements comply with the ACFID code of conduct, including:
  - (i) giving a true and fair view of the Company's financial position as at 31 December 2018 and of its performance for the financial year ended on that date; and
  - (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013;
- (c) the ACFID financial statements on pages 31 to 34 are in accordance with the ACFID Code of Conduct and presents fairly in material respects the Company's financial position as at 31 December 2018 and of its performance for the financial year ended on that date; and
- (d) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the directors.

Audette Evelyn Exel AO  
Chair  
Sydney

## **Adara Development (Australia)**

### **Declaration by Chief Executive Officer**

I, Audette Evelyn Exel AO, Chief Executive Officer of Adara Development (Australia) ("the Company"), declare in my opinion:

- (a) the financial report gives a true and fair view of all income and expenditure of the Company with respect to fundraising appeal activities for the financial year ended 31 December 2018;
- (b) the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeal activities as at 31 December 2018;
- (c) the provisions of the Charitable Fundraising Act 1991 and Regulations and the conditions attached to the authority have been complied with for the financial year ended 31 December 2018; and
- (d) the internal controls exercised by the Company are appropriate and effective in accounting for all income received and applied from any fundraising appeals.

This declaration is made in accordance with a resolution of the directors.

Audette Evelyn Exel AO  
Chair  
Sydney

Adara Development is a signatory to the Australian Council for International Aid and Development (ACFID) Code of Conduct and is committed to full adherence to its requirements. The Code aims to improve international development outcomes and increase stakeholder trust by enhancing the transparency and accountability of signatory obligations.

## Adara Development (Australia) Income Statement (continued)

### For the year ended 31 December 2018

*Note (i): Based on ACFID Code of Conduct classification, for the year ended 31 December 2018 Adara Development (Australia) had no transactions in the following categories for Revenue: Bequests and Legacies, Grants - Dept of Foreign Affairs and Trade, Grants - Other overseas, Investment income, Revenue for International Political or Religious Adherence Promotion Programs*

*Note (ii): Based on ACFID Code of Conduct classification, for the year ended 31 December 2018, Adara Development (Australia) had no transactions in the following categories for Expenditure: Community Education, International Political or Religious Adherence Promotion Programs, Domestic Programs.*

*Note (iii): Adara Development (Australia) receives donations to fund: International Programmes, Programme Support Costs, Fundraising Costs and Accountability and Administration Costs of related Adara Development entities (Adara Development) and its project partners. Adara Development (Australia) transfers funds to other Adara Development entities so they too can fund the aforementioned expense categories. These transfers, whilst shown separately in the statutory Financial Statements, are allocated to the expense category to which the funds are used by the other Adara Development entity.*

*Note (iv): Core support expenses, including administration expenses, are funded by Adara Advisors Pty. Limited ("Adara Advisors"), Adara Partners (Australia) Pty. Limited ("Adara Partners") and a small number of other Core Support Partners. This ensures that donations received from other donors are used for Adara programmes in Maternal Newborn Child Health, Remote Community Development, partner organisations, staff on the ground and other programme support including innovation, learning and evaluation.*

*Note (v): Fundraising costs include both international and domestic programs. There have been no costs incurred for public fundraising.*

# Independent Auditor's Report

To the members of Adara Development (Australia)

## Report on the audit of the Financial Report

### Opinion

We have audited the **Financial Report and Australian Council for International Development Financial Statements (ACFID Financial Statements)**, of Adara Development (Australia) (the Company).

In our opinion, the accompanying **Financial Report** of the Company is in accordance with *Australian Charities and Not-for-profits Commission (ACNC) Act 2012* including:

- i. giving a true and fair view of the Company's financial position as at 31 December 2018, and of its financial performance and its cash flows for the year ended on that date; and
- ii. complying with *Australian Accounting Standards – Reduced Disclosure Requirements* and the *Australian Charities and Not-for-profits Commission Regulation 2013*.

The **Financial Report** comprises:

- i. Statement of financial position as at 31 December 2018;
- ii. Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended;
- iii. Notes including a summary of significant accounting policies;
- iv. Directors' declaration of the Company; and
- v. Declaration by the Chief Executive Officer in respect of fundraising appeals of the Company.

The **ACFID Financial Statements** comprises:

- vi. ACFID statement of financial position as at 31 December 2018;
- vii. ACFID income statement and ACFID statement of changes in equity; and,
- viii. Notes including summary of significant accounting policies.

## Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *ACNC Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information is financial and non-financial information in company's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the Directors' report.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express any form of assurance conclusion thereon, with the exception of the ACFID Financial Statements and our related assurance opinion.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

## Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- i. Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosures Requirements and the *ACNC Act 2012*;
- ii. Preparing the Financial Report in accordance with Section 24(2) of the *Charitable Fundraising (NSW) Act 1991* and *Regulations*;
- iii. The fair presentation of the ACFID Financial Statement in accordance with the ACFID Code of Conduct;
- iv. Implementing necessary internal control to enable the preparation of a Financial Report and ACFID Financial Statements that are free from material misstatement, whether due to fraud or error; and,
- v. Assessing the Company's ability to continue as a going concern. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- i. to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and,
- ii. to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Report.

Undertaking an audit in accordance with *Australian Auditing Standards*, means exercising professional judgment and maintaining professional skepticism.

Our responsibilities include:

- i. Identifying and assessing the risks of material misstatement of the Financial Report and ACFID Financial Statements, whether due to fraud or error.
- ii. Designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error. This is because fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- iii. Obtaining an understanding of internal control relevant to the Audit in order

to design audit procedures that are appropriate in the circumstances. This is not for the purpose of expressing an opinion on its effectiveness.

- iv. Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors committee members.
- v. Concluding on the appropriateness of the Directors committee members use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- vi. Evaluating the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

In addition we have:

- i. Obtained an understanding of the internal control structure for fundraising appeal activities.
- ii. Examined on a test basis of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Act and Regulation.

We have not audited on a continuous basis the accounting records relied upon for reporting on fundraising appeal activities. These do not necessarily reflect accounting adjustments after the event or normal year-end financial adjustments required for the preparation of Financial Report and ACFID Financial Statements such as accruals, prepayments, provisioning and valuations.

## Report on Other Legal and Regulatory Requirements

### Opinion pursuant to the Charitable Fundraising Act (NSW) 1991

In our opinion:

- i. the Financial Report gives a true and fair view of the Company's financial result of fundraising appeal activities for the financial year ended 31 December 2018;
- ii. the Financial Report has been properly drawn up, and the associated records have been properly kept for the period from 1 January 2018 to 31 December 2018, in accordance with the *Charitable Fundraising Act (NSW) 1991 and Regulations*;
- iii. money received as a result of fundraising appeal activities conducted during the period from 1 January 2018 to 31 December 2018 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act (NSW) 1991 and Regulations*; and
- iv. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due

### Opinion pursuant to ACFID Code of Conduct

In our opinion, the ACFID Financial Statement of Adara Development (Australia) is presented fairly, in all material respects in accordance with the ACFID Code of Conduct.
